Press Release 5/11/15

Lone Star Blower, Inc announces Pelton Environmental Products as it's exclusive representative in the municipal water and wastewater markets in states of Ohio, Indiana and Kentucky markets.

"With the warmest welcome we can offer, Lone Star is very excited and privileged to be represented by Pelton Environmental. With 25 years' experience and an impeccable reputation in the industry already we feel this is an excellent partnership "Andrew Balberg – President at Lone Star Blower.

Ed Pelton – President of Pelton Environmental Products " Lone Star offers a breath of fresh air into the blower market with experience and knowledge of not just the excellent products they offer but also about the experience of the municipal market and the service level needed to attain success. We expect great things to come of this partnership"

Lone Star is a Manufacturer, Master Distributor, Packager, and Service company for blower and blower control systems located in the Houston Texas USA. Products will include single stage turbo blowers (both gear driven and gearless), vertically split multistage turbo, and related blower control systems. Lone Star also services many other brand blowers.

Industries served include Water and Wastewater, Power, Petro-Chemical, Oil and Gas Mining, and many others using compressed air or gas, pressure or vacuum applications.

Lone Star is now looking for additional agents and distributors starting in the North and South American markets.
